## DISCIPLINE CODE

**STATEMENT OF DISCIPLINE:** Discipline promotes a child's development and growth; therefore, the staff looks upon discipline as an opportunity to teach and to train your child. It is understood that a parent is to support the efforts of their student, but not to do the work for the student, understanding that when a parent does so it may result in damage to the student's academic development.

**FORMS OF DISCIPLINARY CORRECTION:** Positive and assertive discipline is administered. We care too much for our students to let them misbehave. We back up our words with appropriate actions and give direct and positive feedback when the student does change his/her problem behavior.

### **STEPS ~ Not necessarily in this order:**

1. Reasoning/talking with student.
2. Deprivation of privileges.
3. Positive contract with students/School Home Contract.
4. Mandatory Detention
5. Green Slip
6. Isolation/separating
7. Conference with parent
8. Referred to the Principal
9. Suspension either at home or in-house. No refunds for missed time from the classroom or day care.
10. Expulsion from school.

I have read the Discipline Code as stated above. I (We) therefore, give my (our) permission to the school personnel to administer Discipline Code as stated above if necessary with my child.
